Nature of Complaint:

Docket No SW 20379A-05-0489 / W 20380A-05-0490

I was born in Kingman, Arizona and for the last forty some years have seen little that even remotely resembled a complete community that covers the needs of the young, old, and in between, until I visited the Rhodes Homes in Golden Valley.

I was very excited to see a complete community that was so affordable.

I would like to encourage you to approve the above dockets and improve the quality of our community.

Dear Commissioners:

I would like to voice my support for the planned community that Rhodes Homes would like to bring to Mohave County. I have lived in Mohave County for 18 years and have not yet seen a master planned community of this quality. Please take this project into consideration and allow this kind of progress to continue and prosper, this county would greatly benefit.
