**ARIZONA-AMERICAN WATER COMPANY
NOTICE OF FILING REVISED TARIFFS**

Arizona-American Water Company hereby files the attached revised tariffs. The purpose of the revised tariffs is to correct an error in Decision No. 68858, which set the second tier threshold for Paradise Valley Country Club at consumption in excess of 2,500,000 gallons. This threshold should have been set at 25,000,000 gallons. It is our understanding that Hearing Division will be processing a correction for the Decision.
