ARIZONA CORPORATION COMMISSION
UTILITY COMPLAINT FORM

9/18 (ACC):

ACC staff spoke with customer @ 1350 to ask customer what he meant in the correspondence he mailed to the ACC? Customer was not too sure himself as ACC staff explained to him what it would mean to him if the Decision was amended or what it would mean to him if the Decision stayed as it is. Customer finally decided to state that he is in Favor of TEP amending Decision # 62103. ACC staff has now changed this from a code 8A in our computer system to a code 8E (Rate Case Item-in favor of). Customer was told that his Opinion would be docketed so that the Commissioners will have an opportunity to read his opinion prior to making their decision in this matter (E-01933A-05-0650). CLOSED
