DOCKETED BY 

RE: Johnson Utilities, L.L.C.: Compliance with Decision No. 68235
ACC Docket No. WS-02987A-05-0088
RE: Unified (Aquifer Protection) Water Quality Permit for the Copper Basin Wastewater Treatment Facility

Dear Mr. Johnson:

Pursuant to the above mentioned decision, Johnson Utilities hereby requests for an extension of time to file the Unified (Aquifer Protection) Water Quality Permit for the Copper Basin Wastewater Treatment Facility that is currently due within 365 days from the date of the Decision. After the commission issued the Decision on this matter we proceeded with the preparations of the permit applications and submitted them to ADEQ May 4, 2006. Our most recent water quality permit ADEQ issued to us for the Anthem Wastewater Treatment Facility in June of this year took ADEQ over a year to review and issue the permit. Based on that time frame we expect to receive the permit sometime after May, 2007.

This same compliance item was given in Decision #68237. In this Decision we are required to file the permit within 24 months from the date of the Decision. We hereby request an extension of the compliance date from 365 days to 24 months from the date of the Decision to file the Unified (Aquifer Protection Permit) Water Quality Permit for the Copper Basin Wastewater Treatment Facility. This would allow us the same amount of time in both Decisions to comply with the Commissions wishes.

If you need any additional information in regards to this compliance item, please do not hesitate to contact me. Thank you for your time and consideration in this matter.

Sincerely,

Daniel Hodges
Johnson Utilities, LLC
