PROCEDURAL ORDER

BY THE COMMISSION:

On June 27, 2006, the Arizona Corporation Commission ("Commission") issued Decision No. 68799 which granted Tucson Electric Power Company ("TEP") an extension of time to construct the facilities granted in Decision No. 59221 (August 8, 1995) which granted TEP a Certificate of Environmental Compatibility ("CEC"). Decision No. 68799 required the Commission's Utilities Division ("Staff") to file a report no later than September 29, 2006.

On September 27, 2006, Staff filed a Motion for Extension of Deadline to give Staff until October 13, 2006 to file a report regarding TEP's request for an extension of time for its authority to construct facilities granted in Decision No. 59221 (August 8, 1995).

For good cause shown, Staff's Motion for Extension of Deadline should be granted.¹
