RE: Hassayampa Utility Company, Inc. – Application for Extension of its Certificate of Convenience and Necessity (CC&N) Docket No. SW-20422A-06-0566
INSUFFICIENCY LETTER

Dear Sir:

In reference to the above mentioned application filed on September 7, 2006, this letter is to inform you that the application has not met the sufficiency requirements as outlined in the Arizona Administrative Code. The deficiencies are:

1. In the application, Hassayampa indicated its plan of “installing two meters at every home”, one for potable water and one for reclaimed water. Has this concept has been approved by the Arizona Department of Environmental Quality? Please explain.
2. Pursuant to the Engineering Memorandum that was provided with the application please provide the following information:
 - The type of Treatment and Disposal for each of the 5 future wastewater treatment Plants;
 - A justification estimated WRF Unit Cost of \$10,000,000;
 - The estimated capacities and timing of construction phasing of future WRF Camp #5 and #6; and
 - The estimated number of dwelling units at build out in each subdivision referenced in the Memorandum.

3. Please provide a copy of the approved Central Arizona Association of Government ("CAAG") Section 208 Plan which includes the proposed extension area. If the Section 208 Plan has not been issued, please inform Utilities Division Staff ("Staff") of the status of the application for the Section 208 Plan.
4. Is any portion of the extension area located within the Town of Buckeye's Municipal Planning Area? If so, does the Town of Buckeye support the Company's Section 208 Plan application? Please explain.
5. Please provide a copy of the Arizona Department of Environmental Quality's Approval to Construct the wastewater facilities to serve the proposed extension area. If the Approval to Construct has not been issued, please inform Staff of the status of the application for the Approval to Construct.
6. Please provide a copy of the Aquifer Protection Permit ("APP") for the wastewater treatment plant. If the APP has not been issued, please inform Staff of the status of the application for the APP.
7. Please provide a copy of the Arizona Pollutant Discharge Elimination System Permit ("APDES") for the wastewater treatment plant. If the APDES has not been issued, please inform Staff of the status of the application for the APDES.
8. Please provide a copy of the Maricopa County franchise agreement that includes the proposed extension area. If the franchise agreement has not been issued, please inform Staff of the status of the application for the franchise agreement.

Staff would like to use this opportunity to bring the following to your attention:

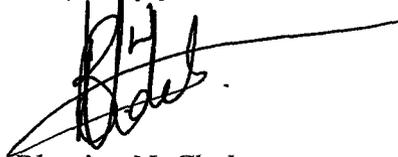

- Pursuant to the Arizona Administrative Code ("A.A.C.") R-14-2-411(C), upon meeting sufficiency requirements, the Commission has 150 calendar days for its substantive review. This includes conducting a hearing and preparing Opinion and Order to present to the Commission at an Open Meeting; and
- Pursuant to A.A.C. R14-2-411(C)(3), Staff may terminate an application if the applicant does not remedy all deficiencies within 60 calendar days of the notice of deficiency.

Please file your response to this Insufficiency Letter with Docket Control.
