RE: Global Touch Telecom, Inc.
Docket No. T-20428A-05-0800 Decision No. 68968

On October 4, 2006, Docket Control received a copy of Global Touch Telecom, Inc.'s ("Global Touch" or "Company") Arizona Tariff No. 1 bearing an effective date of September 21, 2006. On October 5, 2006, Staff received the yellow "TARIFF COMPLIANCE" form from Lori Miller. The TARIFF COMPLIANCE form requests Staff to review the Global Touch's tariff for compliance purposes, contact the Company to correct any deficiencies, and recommend they make a re-filing through Docket Control.

Staff reviewed the effective date of Decision No. 68968 and the effective date Global Touch's proposed tariff to be filed with the Arizona Corporation Commission ("Commission"). Global Touch submitted its proposed tariff within the effective date ordered by Decision No. 68968.

The contents of Global Touch's proposed tariff are addressed in four Sections consisting of 41 pages. Staff reviewed four Sections of the tariff but did not review every numbered item in each Section. Staff is not aware of every numbered item in Global Touch's tariff that agrees or conflicts with every regulation established in the Arizona Administrative Code ("A.A.C.") rules. Also, Staff is unable to verify that every regulation in each Section of the Articles related to telecommunications in the A.A.C. rules is captured in Global Touch's proposed tariff. However, Staff is aware that Global Touch has deficiencies in its proposed tariff that need to be corrected for compliance purposes.

The following lists for each technical term or abbreviation found in Global Touch's tariff and the A.A.C. rules, the A.A.C. rule number that defines the technical term or abbreviation approved by the Commission:

<u>Term or Abbreviation</u>	<u>A.A.C. Rule Number</u>
Customer	R14-2-501 item number 9
LATA	R14-2-1001 item number 13
Local Exchange Carrier (LEC)	R14-2-1001 item number 14
Rate Center	R14-2-1302 item number 19
Tariff	R14-2-501A item number 20

Staff recommends that Global Touch use the same definition for each term or abbreviation as those listed by the corresponding A.A.C. rule number. This will help to ensure each term or abbreviation approved by the Commission is used in Global Touch's tariff.

Staff recommends that Global Touch adopt Staff's recommended tariff changes, revise its tariff and file its revised tariff (original and thirteen (13) copies) through Docket Control at the Arizona Corporation Commission. Staff contacted Mr. Patrick Crocker of Early, Lennon, Crocker & Bartosiewicz representing Global Touch Telecom, Inc. to inform him of the revisions that need to be made to Global Touch's proposed tariff. If there are any questions, please contact John Bostwick by phone 602-542-0856 or e-mail JBostwick@azcc.gov.
