RESPONSE TO STAFF REPLY

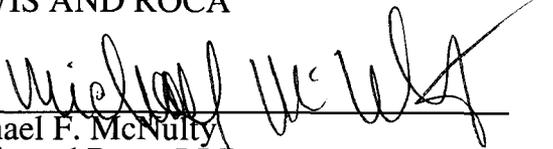

On October 3, 2006, the "Staff's Reply To Worden Water Company's Response To Staff Report" was filed, in which the Staff proposed that the Applicants proceed to install 10,800 gallons of water storage promptly, and commit to install another 5,400 gallons of storage capacity within 12 months of the effective date of the Commission's order.

On behalf of Lawrence and Janice Worden, the undersigned has been authorized to agree to the Staff Reply, and to the filing requirements set forth in the October 3, 2006, filing. The Applicants were accorded the opportunity to request a hearing, if they so chose, by October 13, 2006, but as the parties appear to have reached an agreement on how to proceed in this matter, the Applicants have waived their right to a hearing, and would ask that the Hearing Officer rule on the basis of the filings made previously in these two Dockets.
