Docket No. T-02584A-05-0677 Docket No. T-03188A-05-0677
Compliance Filing for Opinion and Order Issued in Decision No. 69175

Dear Sir or Madam:

Transmitted herewith on behalf of Comtel Telcom Assets LP ("Comtel") are an original and thirteen (13) copies of this compliance filing being made pursuant to the above-noted decision in the referenced dockets. In the Commission's Decision, Comtel is required to post a performance bond of \$135,000 and provide a notice to customers with term contracts. Both of these items have been completed as described herein and in the attachments.

Prior to this filing, Comtel had three separate bonds on file with the Commission. Two of the bonds (K07339276 in the amount of \$10,000 for Comtel Telcom Assets LP d/b/a VarTec Solutions and K07339239 in the amount of \$125,000 for Comtel Telcom Assets LP d/b/a VarTec Telecom) have now been discontinued considering the Commission's requirement to maintain only a \$135,000 bond going forward. Bond No. K07423706 is already on file with the Commission in the required amount of \$135,000. A rider has been issued to reflect only Comtel's corporate name on this bond. A copy of this rider is enclosed for the Commission's records and completes this compliance item. The original is being filed concurrently with the Commission's Business Office.

Comtel has also completed the required notice to customers with term contracts. Copies of the notices are attached hereto for the Commission's records. Comtel has only two types of customers with active term contracts in Arizona: residential wireless customers and commercial interexchange customers. The notices to the affected residential wireless customers were issued on December 8, 2006 for customers served under the Excel Telecommunications trade name and on December 11, 2006 for customers served under the VarTec Telecom trade name. The notices to the affected commercial interexchange customers were prepared for mailing beginning on December 13, 2006 and were issued on December 15, 2006. In addition, an affidavit verifying the mailing of the notices is enclosed.

Thank you for your time and consideration regarding this matter. Comtel respectfully requests that the Commission date-stamp and return the extra copy of this correspondence in the envelope provided. A Commission cover sheet is also included with this filing. If you have any

questions regarding this filing, please contact the undersigned at (972) 910-1453, becky.gipson@excel.com or at the Company's principal address.

Respectfully submitted,
