RE: STAFF'S LETTER OF INSUFFICIENCY TO VANCO DIRECT USA, LLC
(DOCKET NO. T-20404A-05-0599)

Dear Ms. Heggelund:

As I have explained via my email communications in recent months, I have been assigned to complete the review of the CC&N application filed by Vanco Direct USA, LLC ("Vanco"). This application was formally assigned to an analyst who is no longer with the Arizona Corporation Commission.

My review of the application record indicates that Staff has yet to receive Vanco's response to Data Request 3 ("DR3"), dated August 29, 2005. While I am aware of some conditions that have impacted the response for your office in this matter, the time that has expired with this application obligates me to inquire if Vanco wishes to continue with CC&N application or would prefer to withdraw its CC&N application.

If Vanco wishes to withdraw its CC&N application, Staff would appreciate such a filing with Docket Control as soon as possible.

If Vanco wishes to continue with its CC&N application, Staff would like to expedite the provision of additional information required by Staff to complete its report. This can be accomplished by contacting me directly as indicated below.

As soon as possible, Staff would appreciate hearing Vanco's position in this matter.

If you have any questions, please contact me via phone at (602) 542-0742 or via email at afimbres@azcc.gov. Thank you for your prompt response to this request.

Respectfully,

Armando Fimbres
Public Analyst
Utilities Division
