Re: Motion to Intervene in the application of The Order To Show Cause,
Docket No. W-02497A-06-0580.

From: Nancy Hawkins/Ph:520-440-3369
7471 W. Jackpot Ln.
Casa Grande, AZ 85222

I wish to intervene for the following reasons:

Company has not maintained and managed system as expected of a utility company.

Water from this system has been unfit to drink and will very likely have long term effects on people's and animal's health in the future.

Company has not been financially responsible, never has been since I've resided in the area since 1992, lost land that storage tanks are on and owed the county \$21,000 in back taxes.

Company has severely affected the values of the properties served by this utility.

Customer service is the worst I have ever encountered.

Sincerely,

Nancy Hawkins
