Regarding APS for a rate increase

DOCKETED BY [REDACTED] NR

Dear Commission:

AZ CORP COMMISSION
DOCUMENT CONTROL

APS is the most wasteful Corporation that I know of. They are a monopoly yet they run large ads on tv, in newspapers. APS rents or buys boxes for there supporters. I phone APS they could not tell me where to set my thermasit for my home this last summer. They could not tell me. I read there as in the newspaper. They said phone aps for a referal for a air conditioner tone up co. the one APS recomined said I needed \$330.00 in repairs. I phone another air conditioner company, they came out checked my air conditioner and said that it was ok. They charged me just a \$49.00 service charge APS does not warrant at 20% raise in its rates. APS does not warrant at 9% raise.

I would say a 5% raise and let them cut out all the pork. In their company. Let APS give every senior a 10% monthly cut on their electric bill. Written by Dan McCarthy, [REDACTED]
