Dear Commissioner Hatch-Miller:

My family and I discovered a new planned community in Golden Valley Arizona. This development will be one of the first planned developments in Mohave County. My family and I will be moving to that area when the homes are built.

I recently read an article in The Kingman Daily Miner by County Supervisor Pete Byers that put a bad taste in my mouth. The article described the hard time the Commission is giving Rhodes Homes Arizona on this development It never occurred to me that my family and I might not enjoy the amenities of a planned development, especially at the hands of the Arizona Corporation Commission.

I urge you to rethink this matter. This project will be perfect for Mohave County and the families that live here. Remember, the water that's here is ours. We should be the ones enjoying what that water could bring to this area.

When Rhodes Homes comes before your commission, please remember that my family and many families in the area want this to happen.
