RE: GCWWTF Case/Docket No. SW 025 19A-06-0015

Dear Mr. Hatch-Miller:

As a resident of Gold Canyon, Arizona, and a customer of the Gold Canyon Sewer Company (GCSC), this is being written in opposition to the GCSC's request to increase our cost from \$35 to \$70.34 per month for my residential sewer service.

I cannot find any justification for such an increase. In fact, I wonder how GCSC can justify its current \$35 monthly charge. In the year 2005, water usage charge for our residence was approximately \$300 and GCSC charged us \$420 to discharge it through the sewer system. I believe the \$35 per month charge is already exorbitant.

The GCSC odor problem has not been resolved. The odor. is still apparent at our home from time to time, and also on the golf course adjacent to the sewer plant and also at Basha's store next to it and on Highway 60 when passing by.

I understand that GCSC's charter or grant to do business in Gold Canyon allows them to earn a 10% profit. If that is correct, I believe the commission should audit GCSC's books and determine if they are currently realizing a profit on the \$35 per month charge.
