AZ CORP COMMISSION  
DOCUMENT CONTROL

Gentlemen;

I am privileged to report the completion of the Commission's order regarding the installation of meters at the three well heads, supplying water for the Verde Lee Water Co., Inc.. The work was completed Jan 21st of this year and each is performing according to thier specifications.

An additional well is in the process of being completed by Raymond Cueto, DBA Cueto Drilling co. and he is instructed to equip the forth well with an adiquate meter, once the volumn and water quality is identified and approved for public use.

Thank you for your patience in this and other matters of mutual concern.

Most sincerely

Forrest G. Wilkerson, Owner/manager
