PUBLIC NOTICE OF HEARING ON THE
APPLICATION OF ENTRADA DEL ORO SEWER COMPANY
FOR AN EXTENSION OF ITS
CERTIFICATE OF CONVENIENCE AND NECESSITY
Docket No. SW-04316A-06-0382

On June 6, 2006, Entrada Del Oro Sewer Company ("Company") filed with the Arizona Corporation Commission ("Commission") an application for an extension of its Certificate of Convenience and Necessity ("Certificate") to provide wastewater service to the development known as Ranch 160, Pinal County, Arizona ("Application"). If the Application is granted, the Company would be the exclusive provider of wastewater service to this area, and would be required by the Commission to provide service under rates and charges and terms and conditions established by the Commission. The Commission's Utilities Division Staff has not yet made a recommendation regarding the Company's proposal, and the Commission will make a final determination on the application based on the evidence of record in this proceeding. Copies of the application and proposed tariffs are available at the Company's offices Grosvenor Holdings, 11811 N. Tatum Blvd., Ste. 1060, Phoenix, Arizona 85028 and on the internet via the Commission website (www.azcc.gov) using the e-docket function.

The Commission will hold a hearing on this matter beginning February 26, 2007 at 10:00 a.m., at the Commission's offices, 1200 West Washington Street, Phoenix, Arizona. Public comment will be taken on the first day of the hearing.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission, which motion should be sent to the Applicant or its counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Applicant, a shareholder of the Applicant, etc.).
3. A statement certifying that a copy of the motion to intervene has been mailed to the Applicant or their counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before January 12, 2007. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. Failure to intervene will not preclude any person with interest in this proceeding from appearing at the hearing and making a statement on such person's own behalf. You will not, however, receive any further notice of the proceeding unless requested by you.

If you have any questions about this application, you may contact the Company at 602-867-6501. If you wish to file written comments on the application or want further information on intervention you may contact the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona 85007, or call 1-800-222-7000.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting Linda Hogan, ADA Coordinator, voice phone number - 602/542-3931, E-mail lhogan@azcc.gov. Requests should be made as early as possible to allow time to arrange the accommodation.
