**DOCKETED**  
DEC 21 2006  
DOCKETED BY nr

IN THE MATTER OF THE NOTICE OF  
PROPOSED AMENDMENTS TO THE  
ARIZONA UNIVERSAL SERVICE FUND

DOCKET NO. RT-00000H-97-0137  
DECISION NO. 69198  
ORDER

Open Meeting  
December 19 and 20, 2006  
Phoenix, Arizona

BY THE COMMISSION:

FINDINGS OF FACT

1. On September 22, 1989, the Commission established the Arizona Universal Service Fund ("AUSF") in Decision No. 56639. The AUSF was established to maintain statewide average rates and the availability of basic telephone service to the greatest extent reasonably possible. The Commission entered into an agreement for professional services with the National Exchange Carriers Association (now "Solix, Inc.") to administer the AUSF.

2. One half of the AUSF funding requirement is collected through a surcharge paid by providers of basic local exchange service, wireless service, paging service and other Commercial Mobile Radio Service providers that interconnect with the public switched network. These entities are known as Category One providers. The second half of the AUSF funding requirement is collected from providers of intrastate toll service. These entities are known as Category Two providers.

3. In order for a utility to receive AUSF support, that funding must be authorized by the Commission in a rate case. To date, only Citizens Telecommunications Company of the White

1 Mountains, Inc. ("Citizens") (formerly Contel of the West, Inc.) is receiving AUSF money in the  
2 amount of \$769,620 annually per Decision No. 56657, dated October 10, 1989.

3 4. Solix has requested and received data from all Arizona telecommunications  
4 providers for use in calculating the surcharges that would be applied to all telecommunications  
5 providers for 2007. From this data, Solix has calculated that the year 2007 monthly surcharge for  
6 Category One providers is \$0.008127 per access line and \$0.081270 per interconnecting trunk line.  
7 For Category Two providers, the year 2007 monthly surcharge is 0.2794 percent of intrastate toll  
8 revenues.

9 5. The collection of these amounts over the year 2007 will generate sufficient funds to  
10 cover the amount of AUSF distributions that Citizens has been authorized to receive. As of  
11 December 31, 2006, the AUSF is expected to have a fund balance of \$363,791. The new rates are  
12 intended to maintain that same fund balance.

13 6. Staff has reviewed the proposed year 2007 monthly surcharges, and found them to  
14 be just and reasonable, in the public interest. Staff does not believe the proposed 2007 monthly  
15 surcharges will contribute to a fund balance that is higher than necessary.

16 7. Staff has recommends approval of the year 2007 monthly AUSF surcharges for  
17 service provided on and subsequent to January 1, 2007.

#### 18 CONCLUSIONS OF LAW

19 1. The Commission has the authority to authorize these surcharges pursuant to the  
20 Arizona Universal Service Fund Rules, A.A.C. R14-2-1201 through R14-2-1217.

21 2. The Commission has jurisdiction over the subject matter of this order.

22 3. The 2007 surcharges for Category One and Category Two providers meet the  
23 requirements of the AUSF rules, are just and reasonable, and in the public interest.

#### 24 ORDER

25 IT IS THEREFORE ORDERED that the year 2007 monthly Arizona Universal Service  
26 Fund surcharge for Category One providers is \$0.008127 per access line and \$0.081270 per  
27 interconnecting trunk line.

28 . . .

1 IT IS FURTHER ORDERED that the year 2006 monthly Arizona Universal Service Fund  
2 surcharge for Category Two providers is 0.2794 percent of intrastate toll revenues

3 IT IS FURTHER ORDERED that the year 2007 monthly Arizona Universal Service Fund  
4 contribution become effective for services provided on and subsequent to January 1, 2007.

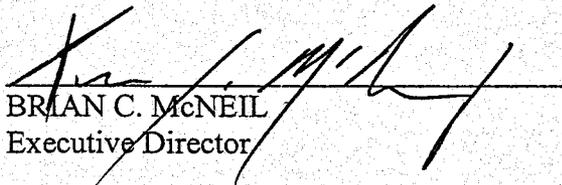

5 IT IS FURTHER ORDERED that this Decision shall become effective immediately.

6
