AZ CORP COMMISSION  
DOCUMENT CONTROL

**Re: Application of Picacho Water Company and Picacho Sewer Company for Rehearing Decision No. 69174**  
(Docket Nos. W-03528A-06-0313 and SW-03709A-06-0314)

To the Docket:

On December 26, 2006, Picacho Water Company and Picacho Sewer Company ("Companies") filed an application for rehearing the Commission's recent Decision (No. 69174), which in relevant part, prohibits the Companies from selling groundwater for irrigating future golf courses in the certificated expansion areas or any ornamental lakes or water features located in the common areas of the proposed developments in the certificated expansion areas.

At least one of the issues raised in the application, whether this prohibition is necessary and appropriate given that the expansion areas are enrolled in the Central Arizona Groundwater Replenishment District, has not been considered by the Commission.

Accordingly, I request that the Companies' application for rehearing be placed on an Open Meeting Agenda for timely consideration by the Commission, in order that the matter not be deemed denied by operation of law.

Sincerely,

Mike Gleason  
Commissioner
