To Whom It May Concern:

I am writing to you to inform you based on the rule R14-2-1107 that my company Harbor Communications LLC would like to abandon our certificate of authority to provide inter-exchange services in the state of Arizona. In 2003 we applied for authority to conduct business because we thought we might start offering service to customers in the state. As it turns out we did not offer service to anyone and have decided to go in another direction for the business altogether.

To address the rules below, Harbor Communications would like to state for the record the following:

1. We decided to keep our business focused in Oregon and Washington.
2. Since we did not add any customers in Arizona, by default there are customers to notify or provide access to another provider.
3. There were no deposits collected.
4. As you know there are many long distance carriers that someone could chose and not having Harbor Communications, as a choice would not be a problem.

Based on the following: R14-2-1107. Application to Discontinue or Abandon Local Exchange or Interexchange Services

- A. Any telecommunications company providing competitive local exchange or interexchange service on a resold or facilities-based basis that intends to discontinue service or to abandon all or a portion of its service area shall file an application for authorization with the Commission setting forth the following:
1. Any reasons for the proposed discontinuance of service or abandonment of service area;
 2. Verification that all affected customers have been notified of the proposed discontinuance or abandonment, and that all affected customers will have access to an alternative local exchange service provider or interexchange service provider;
 3. Where applicable, a plan for the refund of deposits collected pursuant to subsection R14-2-503(B);
 4. A list of all alternative utilities providing the same or similar service within the affected geographic area.

Please let me know if you need any further information and the next steps to cancel our authority.
