RE: SUPPLEMENTAL INFORMATION REQUESTED BY THE ADMINISTRATIVE LAW JUDGE IN THE MATTER OF THE APPLICATION OF TRICO ELECTRIC COOPERATIVE, INC. FOR AN EXTENSION OF ITS CERTIFICATE OF CONVENIENCE. DOCKET NO. W-01452A-04-0393

At the evidentiary hearing held on this matter in Tucson, Arizona on January 10, 2007, Staff was directed by the Administrative Law Judge to file the legal description of the extension area for which Staff is recommending approval. The extension area for which Trico is requesting Commission approval is much larger than the area for which it has requests for service. Staff recommends, and continues to recommend that Trico receive approval to extend its Certificate of Convenience and Necessity ("CC&N") only to those areas for which it has a request for service.

Staff wrongly assumed that the development for which Trico received a request for service was only Willow Springs Southern Village (jointly owned by Lennar Homes and ANAM, Inc.) the identical area for which Willow Springs Utilities recently received water and sewer CC&Ns from the Commission. Upon review of the filings in the docket and discussions with Trico and the landowners, Staff has found that Trico had received a separate request for service from ANAM, Inc. for an area to the northeast of Willow Springs Southern Village. This area is called Willow Springs Central Village which ANAM, Inc. owns alone and plans to develop. ANAM, Inc. did not include the Willow Springs Central Village in the water and sewer CC&N proceeding because a portion of the area is outside and a portion is within an Active Management Area and ANAM wishes to become closer to resolution of issues with the Arizona Department of Water Resources before it files for a water and sewer CC&N for that area.

Staff's engineering report previously filed in this docket includes the impact of serving both the Southern and Central Village. Only the area for which Staff recommended approval needs to be amended. Therefore, because Trico has received a request for service for the both Willow Springs Southern and Central Villages and Staff has reviewed and considered Trico's plans to serve both areas and found that it is in the public interest for Trico to serve both areas, Staff recommends that the Central Village area be included in the extension area.
