Re: Docket No. E-01933A-03-0307, Decision No. 66174

Docket Control:

Tucson Electric Power Company ("TEP") is required by Decision No. 66174 to file (i) copies of executed documents and agreements of any kind in connection with the approved transactions within 60 days of execution, and shall include with the filing a statement that it is in compliance with all terms and conditions of any new and extended credit agreement; and (ii) a report of each transaction on this docket. TEP has not entered into any new credit agreements or had any transactions since the last update report was sent to Docket Control on July 1, 2005. Please see Docket No. E01933A-03-0307 for all compliance reports filed in compliance with the approved financing application.

TEP affirms that the compliance requirements set forth in Decision No. 66174 have been met and have expired pursuant to the conditions and limitations contained in Findings of Fact No. 12 (1) The authority to refinance the new credit agreements shall be for a period of two (2) years, after which TEP must return to the Commission if it desires to renew the authorization. TEP has since returned to the Commission for new authorization (see Decision No. 69182) and will no longer provide update letters for compliance items set forth in Decision No. 66174.

Also enclosed is an additional copy of the filing that the Company requests you date-stamp and return in the self-addressed, stamped envelope for our files.
