Dear Sir or Madam:

This letter is being filed in compliance with Decision No. 68447 which requires Qwest to file a notice with Docket Control describing the plan to include Qwest Communications Corporation customers in ILEC directories and Directory Assistance database.

Qwest Communications Corporation's existing ICA with Qwest Corporation in Arizona provides for inclusion of directory listing information in the ILECs' directories and Directory Assistance databases. Specifically, the contract with QC includes the following Language:

6.2.7 Qwest will accept at no charge one primary white pages directory listing for each main telephone number belonging to CLEC's end user based on end user information provided to Qwest by CLEC. Qwest will place CLEC's end users' listings in Qwest's Directory Assistance Database and will include such listings in Qwest's Directory Assistance Service. Additional terms and conditions with respect to directory listings are described in the Ancillary Services Section and the Qwest Dex Section of this Agreement.

Qwest Communications Corporation intends to include these directory services in any future ICAs with Arizona ILECs.

Please let me know if you have any questions pertaining to this matter.

Sincerely,

CC: Brian Bozzo - Compliance Manager
