Opposed to rate increase. He feels this is ludicrous that the company is asking for this high of an increase. "I'm tired of all these increases." I've been a customer of this company since 2003 when I moved from Chicago. "I was outraged when I read the notice."

Utilities' Response:

Investigator's Comments and Disposition:

1/17/07

I advised Mr. Fred Stucker that his comments regarding the Unisource Energy Co. ("UNS") rate case will be placed on file with the Docket Control Center of the Arizona Corporation Commission ("Commission") to be made part of the record. The Commission will consider his comments before a decision is rendered in the UNS application.

"The concerns he raised will assist the Commission in the investigation and review of the rate application. The Commission's independent analysis of the utility and its rate request will help attempt to balance the interest of the utility and its customers.

Commission Staff is very sensitive to the burden that high utility rates can place on the consumer, and though constitutionally required to allow a fair return to the utility, does everything within its authority to protect the consumer.
