RE: ARIZONA-AMERICAN SUN CITY AND SUN CITY WEST APPLICATION FOR A
RATE INCREASE – DOCKET NO. WS-01303A-06-0491

LETTER OF SUFFICIENCY

Dear Mr. Marks:

In reference to your supplemental direct testimony and revised schedules in the above matter received on January 29, 2007, this letter is to inform you that your application has now met the sufficiency requirements as outlined in Arizona Administrative Code R14-2-103 and contains the required information for Staff to satisfactorily reconcile billing determinant information.

On October 24, 2006, Staff and Arizona-American filed a stipulation that Arizona-American had not yet provided to Staff the volumetric billing determinants and that the time clock would be suspended effective October 11, 2006, until such time as the Staff notifies the Commission that it has received volumetric billing determinant information which it finds satisfactory for reconciliation purposes. The Parties also agreed that the procedural schedule shall be adjusted by a commensurate time period once Staff notifies the Commission that the information has been obtained from the Company and that it satisfactorily addresses Staff's needs. With this finding of sufficiency, it is Staff's position that the time clock should begin to run again as of the date of this letter, and the procedural schedule in this case should be modified accordingly.

The Staff person assigned to your application is Dennis R. Rogers. He can be reached at (602) 542-0871, or toll free at (800) 222-7000, if you have any questions or concerns.
