Nature of Complaint:

A request for and increase of 286% in the baseline rate R-10 is a travesty. My gas bill last month was \$18.87 and an increase to a twenty dollar monthly customer charge would be more than my entire gas bill now. I don't recall the cost of living going up 286% in the last year. Why should these greedy bastards be allowed to gouge the ratepayers? You will be aiding and abiding a crime against the poor and elderly of Arizona if you allow the rate increase to take effect.
