The law provides for an open public hearing at which, under appropriate circumstances, interested persons may intervene in the proceedings and participate as a party. If you wish to intervene you must file a written motion to intervene with the Commission and send a copy of the motion to Applicants or their counsel and to all parties of record. The motion shall, at the minimum, contain the following:

1. Your name, address, and telephone number and the name, address, and telephone number of any party upon whom service of documents is to be made if different from the intervenor.
