Re: PerkinsMountain Water Co. App. # W-20380A-05-0490  
PerkinsMountain Utility, Co. App.# SW20379A-05-0489

Dear Sir or Madam:

I wanted to write you after following the events surrounding the above referenced water company and sewer company.

I am a property owner on Highway 68 & Bouse Road. I am of the view that it is in the best interests not only of land owners in the area to permit this application to be granted, but it will also assist in the economic development of the area. I have spent significant time in this area despite the fact that I live in Maricopa County. The approval of this application will serve as the kernel of sand to lift what is an otherwise economically harsh environment into one where the standard of living of all residents and property owners around this project can develop into a pearl that before now was and is completely unknown to Mohave County.

Please contact me in the event that I may assist you in any manner or to advocate on behalf of approval of the above referenced applications.

Very truly yours,

STANYAN PARTNERS, LLC
