EXHIBIT DD-6

TO THE

REBUTTAL TESTIMONY

OF

DOUGLAS DENNEY

ON BEHALF OF

ESCHELON TELECOM OF ARIZONA, INC.

February 13, 2007

Voice mail from Jean Novak ("N") and Chris Siewert ("S")<sup>1</sup> for Rhonda Knudson on Friday, March 17, 2006, at 3:22 pm CDT.

Novak: Rhonda, this is Jean we need to have the order number that took this customer out of service so we can see if that facility is still available. Would you give me a call on 218.290.9414. Thanks, Rhonda.

N: Ok.

Siewert: Ok.

S: Ok because if we send it through the Alex and we don't put the expedite charges on it, and it's a VP expedite, he's going to deny it.

N: Yeah, OK. Well, you know, OK, if that's the rule, that's the rule.

S: I know, I know, but I hate to do it when it's something like you know important. You know what I mean, I mean you hate to take people out of service and everything and not you know give them....

N: What they should be doing is they should forward that telephone number to a cell phone.

S: or something at least so that they can get some kind of phone service for a while so, um but otherwise they can sign the amendment.

N: Yup that's what we've told them.

S: and pay and then they won't run into these situations that they have.

N: OK.

S: OK well give me a call back , yeah, when you get, or if, I take it you're not at your desk, so I was going to say, shoot me an email, but why you don't just call me. I'll sit at my desk and watch for your number and then if we can get the disconnect number off of that, I can go in and look. I'll try to get a phone number too and see whether or not I can get it off the VL 19 screen to see if we get it, and see if we can match it up or anything like that. So.

N: You know, Kris, I'm okay with not doing it.

S: OK.

N: I really am because they need to sign an amendment.

---

<sup>1</sup> Chris Siewert runs the Qwest Minneapolis service delivery center that manages escalations and expedites.

S: Oh, absolutely and this is exactly the reason why. I mean, you know, they you know, don't want to because they don't want to pay. And you know every once in a while guess what, you have to pay.

N: Yeah.

N: So, I mean, if you want to look at it and that but if you tell me no it's not going to go, I'm fine with that.

S: OK. Well when you get the D order number, give me a call.

N: OK.

S: OK. Thanks. Bye.
