RE: Docket No.

Chairman Gleason,

I am the Treasurer of the Finisterre Homeowner's Association located on Lincoln Drive in Paradise Valley, Arizona and have been fielding a significant amount of concerns from neighbors relative to the rate structuring of the "High Block Surcharges" in the Arizona American Water statement that members of our Association are receiving.

It is interesting that no notice was provided to the Arizona American Water users as to the structuring that would take place and the rates that would be charged.

After completing an enormous amount of research on the rate hike and the structuring by the Arizona Corporation Commission, we request that this issue be reconsidered by you and your Commission members.

My 91 neighbors and myself look forward to hearing from you on this matter as soon as you can respond.

Thank you,

Larry A. Fink
