HEARING DIVISION PROPOSED AMENDMENT # 1

TIME/DATE PREPARED March 12, 2007 / 11:00 a.m.

COMPANY: Empirita Water Co AGENDA ITEM NO. U-2

DOCKET NO. W-03948A-06-0490 OPEN MEETING:DATE: March 13 & 14, 2007

Page 6, lines 11 – 16

DELETE Text commencing “Empirita explained” and ending to “. . .whether a drawdown of 10 to 25 feet is an impact.”

Page 6, line 17

INSERT new footnote no. 2 after “an impact on the existing well.” as follows:

“The ADWR rule that Empirita’s hydrology witness cited, A.A.C. R12-15-830, appears to have been replaced in August 2006, by A.A.C. R12-15-1302. However, as relevant to this proceeding, the rule change appears to have retained the ‘10 feet of additional drawdown over the first 5 years’ standard relied upon by Empirita’s hydrology witness for ascertaining whether a prohibited well impact would occur.”
