This letter is to file an exception to the recommendation of Administrative Law Judge Yvette. B. Kinsey regarding the sale of assets and transfer of CC&N for JNJ Enterprises, dba Christopher Creek Haven Water Company.

On page 6, lines 23-25, the order states that JNJ Enterprises dba Christopher Creek Haven Water Company shall file a rate case with the Arizona Corporation Commission by March 31, 2008, using a 2007 test year. The order should read Utility Systems, LLC shall file a rate case since Utility Systems, LLC will be the owner of Christopher Creek Haven Water Company.

On page 6, lines 26-28 the order should read "Utility Systems, LLC shall maintain its books and records in accordance with the National Association of Regulatory Commissioners Uniform Systems of Accounts", not JNJ Enterprises.

Since this case did not close by the end of 2006 I would like to have any cost accrued by JNJ Enterprises after January 1, 2007 be added to the rate case in 2008.

Thank you very much,

Gerald Lenzion
