Re: Fourth Biennial Transmission Assessment, Docket No. E-00000D-05-0040

Dear Sir/Madam:

Arizona Public Service Company ("APS") would like to express its support for the Fourth Biennial Transmission Assessment 2006-2015 Report ("BTA Report") presented by Arizona Corporation Commission ("Commission") Staff. APS appreciates the opportunity to participate in the workshops and to provide comments on the draft BTA Report throughout the process. That process plays an important role in the transmission planning for the State of Arizona.

APS does not have any comments on the Recommended Order prepared in this Docket other than to support the comment submitted by Salt River Project to replace the word "spontaneous" with "simultaneous" in Finding of Fact 6, finding 6.6.d. With that word change, APS supports the Recommended Order and the BTA Report.

Please feel free to contact me at (602) 250- 1144 if you have any questions.

Sincerely,

Robert Smith (Dr)
