This e mail is regarding the K2 Agreement in the Pine / Strawberry area. I have owned property in Strawberry and now own a home and a property in Portal I & II, having been involved in the area for some 27 years. I was the President of the Portals I & II Home Owners Association for 6 years and presently I am the Vice President of the Home Owners Association. I would like to state my opposition to the K2 Agreement as it is proposed and am in support of the Rim County Water organization's proposal regarding the relocation of the well and there proposal to create a Pine /Strawberry Water District, due to the fact that Pine Water Co. has not served the best interests of our communities. I thank you for taking the time to consider my request.

Ray Broderick
VP Portals I&II Homeowners Assoc.
