Subject: Union Pacific Railroad Company - 83<sup>rd</sup> Avenue Project

Dear Mr. Raber,

Please be advised that the City of Goodyear and Union Pacific Railroad have agreed on terms and conditions of UPRR's double track work with respect to the City's 83<sup>rd</sup> Avenue grade crossing. The City of Goodyear definitely supports the 83<sup>rd</sup> Avenue Project and has no objection to UPRR's application to the Arizona Corporation Commission for authority to alter the grade crossing at 83<sup>rd</sup> Avenue by installing a second main line track at grade.

If you have any questions or require additional information, please do not hesitate to contact me or David Ramirez, City Engineer at 623-882-7954.

Sincerely,

Brian Dalke,  
Interim City Manager
