Motion to Reschedule Hearing

BACKGROUND

On April 11, 2001, Touch America Service, Inc. ("TASI") filed an application for approval of the assignment of assets and transfer of its Certificate of Convenience and Necessity ("CC&N") to Touch America, Inc. ("Touch America"). TASI received a CC&N to provide resold, facilities-based interexchange telecommunications services, and alternative operator services in Arizona pursuant to Decision No. 62672 (June 30, 2000). On June 30, 2001, the transfer transaction closed and Touch America began serving Arizona customers.

On June 18, 2002, the Commission issued a Procedural Order setting a September 16, 2002, hearing date on the above application and petition.

MOTION

At present, Touch America has one person available to handle regulatory matters across the continental United States. Due to scheduling conflicts, Touch America requests that the proposed bearing be rescheduled for Monday, September 30, 2002 at 10:00 am at the Commission's offices, 1200 West Washington Street, Phoenix, AZ 85007.

Respectfully submitted this 30th day of July, 2002.
