Re: Perkins Mountain Water Company, Docket No. W-20380A-05-0490;
Perkins Mountain Utility Company, Docket No. SW-20379A-05-0489

Dear Mr. Crockett:

I have received your Notice of Filing Late Exhibit and the attached Moody's Credit Rating dated December 27, 2006. However, the affidavits from Clark County Commissioner Mark James and Mr. Jim Rhodes that I requested have not yet been provided. I assume these documents are publicly available at the Clark County Courthouse, so your efforts to locate them will undoubtedly soon bear fruit.

As for Mr. Rhodes' deposition that was given as part of the FEC investigation, I understand from your filing that Mr. Rhodes is not in possession of a copy and that the deposition has not been made public. You stated that you have been advised of this by the attorney who represented Mr. Rhodes in that matter. Doesn't he have a copy of his client's deposition in his files? Is the lawyer you are referring to Richard A. Wright? It is my understanding that the FEC complaint was settled in 2005. As you know, attorneys in Arizona are obligated by Ethical Rule 1.15(a) to keep copies of a client's files for 5 years. Surely Nevada must have a similar requirement. It should be fairly easy for Mr. Rhodes to call his attorney and instruct him to send you a copy of the deposition so it can be filed with the Commission.

Thank you for your attention to this matter.

Sincerely,

William A. Mundell, Commissioner
