PROCEDURAL ORDER

BY THE COMMISSION:

On November 14, 2005, the Arizona Corporation Commission ("Commission") issued Decision No. 68307 which approved the application of the Water Utility of Greater Tonopah, Inc. ("Company" or "Applicant") for an extension of its Certificate of Convenience and Necessity ("Certificate") to provide public water utility service to various parts of Maricopa County, Arizona. As a condition of the Commission's approval, the Company was to file, by November 14, 2006, both a copy of the developer's Certificate of Adequate Water Supply ("CAWS"), which was to be issued by the Arizona Department of Water Resources ("ADWR"), and a copy of the Certificate of Approval to Construct ("CAC"), which was to be issued by the Maricopa County Environmental Services Department of ("MCESD").

On March 27, 2007, the Company filed a Motion for Extension of Time ("Motion") to file a copy of the developer's CAWS stating that it needs an additional 18 months, until September, 23, 2008, to secure and file a copy of the CAWS to be issued by ADWR, and a copy of the ATC was to be issued by the MCESD. The developer is encountering delays for a variety of unstated reasons to secure these documents, which, if not filed within one-year of the Decision, render the approval granted therein null and void.

IT THEREFORE ORDERED that Staff shall file, by no later than April 16, 2007, a response

1 to the Applicant's Motion.

2 IT IS FURTHER ORDERED that the presiding Administrative Law Judge may rescind, alter,  
3 amend, or waive any portion of this Procedural Order either by subsequent Procedural Order or by  
4 ruling at hearing.
