Date: March 30, 2007

06

I am submitting a current Drinking Water Compliance Status Report for Christopher Creek Haven Water Company (PWS ID# 04-005). It shows that Christopher Creek Haven Water Company is in full compliance with ADEQ.

On May 11, 2006 I filed the Transfer CC&N. By Arizona Corporation Commission rules, transfer should take no more than six months. If the transfer has not occurred within the six months, it is my understanding that the transfer automatically occurs. At this time I have not heard anything about this transfer. I would appreciate if someone can contact me within the next few days to discuss this issue.

Since this case did not close by the end of 2006 I would like to have any cost accrued by JNJ Enterprises after January 1, 2007 be added to the rate case in 2008.

Thank you very much,

Gerald Lenzion

Based upon data submitted by the water system, ADEQ has determined that this system is currently delivering water that meets water quality standards required by Arizona Administrative Code, Title 18, Chapter 4. This compliance status report does not guarantee the water quality for this system in the future. This compliance status report does not reflect the status of any other water system owned by this utility company.
