Re: Public Service Franchise
West End Water Co.

Dear Mr. Collins:

Thank you for your phone call. As you know, the Board of Supervisors in formal session on February 1, 2006, granted an extension to the West End Water Co. Public Service Franchise in accordance with the application on file with this office.

We spoke of the stipulation that specifically requires that a Certificate of Convenience and Necessity (CCN) be procured from the Arizona Corporation Commission (ACC) within six months of the application approval date. You have explained that West End Water Co. has submitted a CCN application with the Arizona Corporation Commission and are awaiting final approval of the application.

Your application for extension is still valid at this time and there is no need to re-apply with this office at this time. However, we ask that you please forward the CCN to this office immediately upon receipt from the Corporation Commission.

Feel free to contact me directly at 602-372-1316 should you have any questions or concerns related to this matter.

Sincerely,

BOARD OF SUPERVISORS
