RW-0000B-07-0051 (Water Rulemaking) and RSW-00000A-07-0051
(Sewer Rulemaking)

Dear Director Johnson:

Arizona Water Company (the "Company") intends to provide comments on the above-referenced rulemaking. The Company needed additional time to provide its comments and thus contacted your office to request that it be permitted to file comments by Friday, April 13, 2007. Mr. Steve Olea, Assistant Utilities Director verbally approved one additional week for the Company to provide its comments. Accordingly, the Company will file its comments on the above-referenced rulemaking on or before the close of business on April 13, 2007.

Thank you for the opportunity to provide comments on this tremendously important issue and for granting the Company's request for additional time within which to file such comments.

The Company looks forward to providing its comments and to further participation in these proceedings and opportunities to provide additional comments on this matter.

Very truly yours,

William M. Garfield
President
