DOCUMENT CONTROL

This is a request for four (possibly five see below) certified copies of docket R-0000-94-165. Two copies are for filing with Maricopa County Superior Court CV-97-03920 on August 8th. Two copies are for filing with Maricopa County Superior Court CV 97-03748, the filing date will probably be sometime in September.

As we discussed yesterday, this would be a duplication of the set in my office which was previously filed with the Court of Appeals. Please see me before you begin in order to determine if we need to make changes because of discrepancies I have found between Docketing's file and the Legal Division administrative file. If changes are made, we would need a copy of the revised version with those changes.

I apologize for the late notice on this request. Please let me know if you need any further information.
