PROCEDURAL ORDER

BY THE COMMISSION:

On July 18, 2005, the Arizona Corporation Commission ("Commission") issued Decision No. 67986 which granted Oak Creek Utility Corporation ("Oak Creek" or "Company") a rate increase and authorized the Company to obtain a \$40,000 loan from the Water Infrastructure Finance Authority ("WIFA") for the purpose of constructing a 10,000 gallon storage tank. Oak Creek was directed to complete the storage tank project within 18 months of the effective date of Decision No. 67986.

On October 2, 2006, Oak Creek filed an Extension Request seeking additional time to complete construction of the 10,000 gallon storage tank. The Company stated that the WIFA financing has taken longer than expected and, once the WIFA financing is approved, additional time will be needed to construct the required storage tank.

By Procedural Order issued October 13, 2006, Staff and Intervenors were directed to file responses to the extension request by October 27, 2006.

On October 24, 2006, Intervenor David Peck filed a letter stating that he would agree to an additional six months for completion of the storage tank.
