Re: Northern Arizona Energy Project

Dear Chairman Gleason:

By this letter, Mohave Community College withdraws its March 20, 2007 letter in support of the above-captioned project.

It appears that the college did not receive all of the facts related to the project at the February 5, 2007 public open house or in subsequent correspondence.

We regret the necessity for taking this action, but the college does work closely with its partners in Mohave County and finds that the project is less beneficial to county citizens than expected or presented to us.

Sincerely,
