RE: **SMART METERING WORKSHOP – DOCKET NO. E-00000A-06-0038**

The Energy Policy Act of 2005 requires each State regulatory authority to consider certain issues. One of those issues is in Section 1252 (Time-based Metering and Communications, or "Smart Metering") of the Act. On January 23, 2006, Commission Staff filed a memorandum requesting that a generic docket on Smart Metering be opened and that it would be specifically entitled "Smart Metering Requirements of Section 1252 of the Energy Policy Act of 2005." This docket was opened as Docket No. E-00000A-06-0038.

A workshop on Smart Metering has been scheduled for June 7, 2007, at 9:30 a.m. at the Commission's Hearing Room, 1200 West Washington Street, Phoenix, Arizona. An agenda is enclosed.

All parties who want to be included on the service list for this docket should send a notice to the Commission's Docket Control Center at 1200 West Washington, Phoenix, Arizona 85007. This notice should indicate interest in workshop participation, reference Docket No. E-00000A-06-0038, and include both a mailing address and an e-mail address. Staff appreciates the input and participation from all interested parties though the workshop process.

If you have any questions, please contact Barbara Keene at (602) 542-0853.

Sincerely,

Ernest G. Johnson
Director
Utilities Division
