IN THE MATTER OF THE APPLICATION OF NAVIGATOR TELECOMMUNICATIONS, LLC FOR A CERTIFICATE OF CONVENIENCE AND NECESSITY TO PROVIDE RESOLD LOCAL EXCHANGE, FACILITIES-BASED LOCAL EXCHANGE, AND ACCESS TELECOMMUNICATIONS SERVICES IN ARIZONA

Docket No. T-20398A-06-0346

On May 26, 2006, Navigator Telecommunications, LLC ("Company") filed an application with the Arizona Corporation Commission ("Commission") for a Certificate of Convenience and Necessity ("Certificate") to provide resold local exchange, facilities-based local exchange and access telecommunications services in the State of Arizona. The Commission's Utilities Division Staff has recommended approval of the Company's application. The Commission is not bound by the proposals made by the Company, Staff, or any intervenors, and the Company will be required to provide this service under the rates and charges and terms and conditions established by the Commission. Copies of the applications, report of the Commission's Utilities Division Staff, and any written exceptions to the report of the Commission's Utilities Staff filed by the Company are available at the Company's offices at 8525 Riverwood Park Drive, North Little Rock, Arkansas 72113, and on the internet via the Commission's website (www.azcc.gov) using the e-docket function.

The Commission will hold a hearing on this matter beginning May 30, 2007, at 1:30 p.m. at the Commission's offices, 1200 West Washington, Phoenix, Arizona. Public comments will be taken on the first day of the hearing.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission no later than May 14, 2007. The motion to intervene must be sent to the Company or its counsel and to all parties of record, and must contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different from the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Company, a shareholder of the Company, etc.)
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the application or from filing written comments in the record of this case. You will not receive any further notice of this proceeding unless you request it.

If you have any questions about this application, you may contact the Company at (501) 954-4051. If you wish to file written comments on the application or want further information on intervention you may contact the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona 85007, or call 1-800-222-7000.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting the ADA Coordinator, Linda Hogan, at LHogan@azcc.gov, voice phone number 602/542-3931. Requests should be made as early as possible to allow time to arrange the accommodation.
