Subject: Gold Canyon Sewer Rates

Chairman Gleason: Below is a phone call to my office and my response to Elizabeth Wilson. She is very concerned that the Gold Canyon Sewer does not give discounted rates during the summer when there is no activity for their account. I told her that issue was raised during the local hearing in Gold Canyon regarding the proposed Gold Canyon Sewer fee increase. I also told her I would let the Corporation Commission know of her concern.

02:55PM - Elizabeth Wilson [REDACTED] leaving for summer; all utilities give 'summer' or discounted rates; only Gold Canyon Sewer offers nothing; anything we can do?

I told her that this was mentioned at the Corporation Commission Hearing for the rate increase for Gold Canyon Sewer. I told her I would e-mail this concern to the Corporation Commission.
