RE: In re Global Trusts, LLC, et al.,  
Arizona Corporation Commission Docket No. S-03508A-02-0000

DOCUMENT CONTROL

Dear Ms. Coughenour DeLaRosa

I hate to harp on issues, but as I informed you in my letter of January 29, 2004, I have never represented the Wagnon's in matters before the Commission. The notice my office filed showing the commencement of the Wagnon's chapter 13 case was not synonymous with the filing of a notice of appearance. While I appreciate getting copies of decisions, etc., from you and the Commission because, heaven knows, I might never get copies from my clients and what happens before the Commission has a decided effect on the Wagnons' bankruptcy, I am not their counsel in this matter.

Additionally, I have never represented Global Trusts, LLC in any matter, whatsoever.

I write this because on the mailing list attached to the latest Opinion & Order from the Commission, I am shown as the attorney for both the LLC and the Wagnons. I am neither.

Not that it is a big deal, but on the Order I just received, my name was misspelled and my address has too many zeroes in it. Is there a chance that future correspondence can correct some of these issues. I would hate for the whole world to believe that, as to matters before the Commission, I am the attorney for these folks. Thank you.

Very truly yours,

WALTER F. WOOD, LTD.
