Subject: Vote No on Palo Verde to Devers II!!!

ORIGINAL

Email your Corporation Commissioners NOW to vote NO on the \$531 Million dollar power line expansion project called Palo Verde to Devers II 500 kV Project (Docket No. L-00000A-0295-00130) tomorrow to be paid by Arizona rate payers for the benefit of Southern California residents with NO benefit to those footing the bill. How sweet! Think what the response would be if we asked California residents to foot the bill for our benefit. Tell them we are paying attention and that's it! They are voting at 10 AM so email or call right away. Here are their phone numbers also:
