Re: Docket Number W-20495A-06-0769 , SW-20494A-06-0769

Dear Sirs:

The City of Eloy is objecting to the application of the Certificate of Convenience and Necessity by Global Water Company. The area is surrounded by the planning area of the City of Eloy. Several of the owners of property in Global's proposed application have met with City of Eloy to discuss annexation into the City of Eloy. It is the City's intent to service those properties and others in our planning area after the annexation is complete.

The City of Eloy would appreciate consideration from the Arizona Corporation Commission on denial of the Certificate of Convenience and Necessity. If you have any questions, please do not hesitate to contact me at 520-464-1392.

Sincerely,

Doug Olson
Water/Wastewater System Manager
