**Nature of Complaint:**

Consumer is opposed to any rate increase that Wilhoit is requesting. Customer states that the water company never finished digging the well that should have been dug from the 1992 rate increase. She also states that she does not feel that Wilhoit should put restrictions on water usage because the tanks are full. She states that according to Walden Meadows Water Co. the Wilhoit Water Co. is purchasing enough water to keep Wilhoit Water Co. from imposing curtailments.
